The Women in the Arts Festival (WITA) is a celebration of regional women artists that takes place during the second weekend of November each year in East Lansing, Michigan. The festival begins on Friday evening with dinner at the *Sistrum Café*, shopping in the *Artist Market* and a concert event. We gather again on Saturday morning for more music, poetry, shopping, dining and socializing into the night, finishing the festival with a second concert event. This festival is an important commitment women make each year to renew our support for women artists and musicians. WITA is a volunteer-run organization with a commitment to support women in their creative pursuits and the goal of creating space for women to showcase their talents.

What is Circe Productions?

Many years ago a group of local women produced events and concerts under the name *Circe Productions*. One of those events was the annual fall Women In The Arts Festival.

The Ask – Sponsorship & Membership

Women In The Arts is taking on the challenge of providing a firm financial base that insures that this festival will continue for many years to come. It is with this in mind that we ask you to consider becoming a festival sponsor. By becoming a sponsor you will help support women artists by:

- ◆ Supporting the long term financial health of the Women in the Arts Festival
- ◆ Providing funding for art and music projects by women artists and musicians
- ◆ Creating opportunities for local concerts and events

Here are some suggested guidelines.

Night Stage Sponsor: \$500.00

Receive ½ page (5x4) ad in festival program
Four Weekend Pass tickets to festival
Mention in all publications
Recognition for sponsorship at Day and Night Stages

Day Stage Sponsor: \$250.00

Women In The Arts membership fund supports initiatives that benefit women artists and musicians over time. Initiatives such as:

- ◆ The long-term financial health of WITA
- ◆ Funding projects and personal support for individual artists and musicians
- ◆ Providing matching funds for available sponsorships
- ◆ Sponsoring special fundraising events for WITA throughout the year

And other fun, innovative ideas that support our creative community. We invite you to become a Member of Women in the Arts this year.
